About us

Inspirations Public Charitable Trust was set up in 2019 as a registered non-profit organization to bridge the gap between the deprived and the provider.

We are a team of youth, mostly ex-NCC cadets, ex-Army with a lot of passion towards community building and creating a strong nation.

First of it's kind, **Rescue Warriors**, is a program that aims at connecting the diverse social fabric of our country under one roof with the adequate support of digital technology into fostering individual ownership for the growth of a healthy society.
